

BIG MOUTH

Blues i Bb

It's been rough here before
but this time I'm moving out
It's been rough here before
but this time I'm moving out
well I've had enough of you
and more than enough of your big mouth

now I've got a headache
from listening to you wine
I've got a headache
from listening to you wine
well if you'd just shut your big mouth
I believe that I'd be fine

so whats it gonna take
for you to let me out that door
so whats it gonna take
for you to let me out that door
well I can't hear a word you say
cause your big mouth is in the way
